Hilton advised future Board members regarding his wishes pertaining to the Foundation and from the 2014 Memorandum of Understanding between Conrad N. Hilton Foundation and William Barron Hilton, where William Barron Hilton shared his values and reflections, which are intended to help guide the future directors and staff of the Corporation.

Section 5 Vacancies. A vacancy in the Board may be filled by a majority of the remaining Directors, though less than a quorum. A vacancy on the Board shall exist upon: (1) the death or resignation of any Director; (2) the declaration by resolution of the Board of a vacancy in the office of a Director who has been declared of unsound mind by an order of court, convicted of a felony, or found by a final order of judgment of any court to have breached a duty imposed by law upon the Director; (3) in the case of Directors elected on or after December 1, 2005, upon any such Director attaining the age of seventy-five (75), provided, however, such Director will be permitted to serve until the end of their term; or (4) upon the failure of any Director to sign the affirmation of principles required under Section 4 of these Bylaws. By action, a majority of the Board can waive the retirement age of seventy-five (75) on a case-by-case basis. No reduction of the authorized number of Directors shall have the effect of removing any Director before that Director's term of office expires.

Section 6 Weighted Hilton Family Voting. Subject to the requirements set forth in the Articles of Incorporation with respect to the composition of the Board, in the event of vacancies in the seats of Hilton Family Directors such that a majority of the persons serving as Directors are not members of the Hilton Family, as defined in the Articles of Incorporation, the weighted voting requirements of this Section 6 will govern until such

vacancies are filled and a majority of the persons serving as Directors are members of the Hilton Family ("Hilton Family Majority"). In circumstances where a Hilton Family Majority does not exist, the remaining Hilton Family Directors will receive one (1) additional vote for each vacancy in the seat of a Hilton Family Director, with such vote(s) being determined by a majority of the remaining Hilton Family Directors. The voting requirements in this Section 6 are intended to govern temporarily until a Hilton Family Majority is restored in order that the Corporation may carry on its work during the periods in which a Hilton Family Majority does not exist. Notwithstanding the foregoing, the provisions of this Section 6 shall not govern for more than one (1) year from the date a Hilton Family Majority does not exist; provided, however, the Board may unanimously vote to waive the one-year in extraordinary circumstances when it is deemed to be in the best interest of the Foundation.

Section 7 Place of Meeting. Regular meetings of the Board may be held without notice at such time and place as the Board may fix from time to time, provided, however, the Board may develop policies that require advance notice of such meetings to be given, in which case, the advance notice requirements of such policies shall govern. Special meetings of the Board may be called by the Chair of the Board or two (2) Directors, on twenty-four (24) hours' notice to each Director. Notice of the time and place of special meetings shall be given to each Director by one of the following methods: (1) by personal delivery of written notice; (2) by first-class mail, postage prepaid; (3) by telephone, either directly to the Director or to a person at the Director's office or home who would be reasonably expected to communicate that notice promptly to the Director; or (4) by email or other electronic means. The notice shall be given or be sent to the Director's address,

telephone number, or electronic address as shown on the records of the Corporation. The notice need not specify the purpose or purposes of the meeting. A special meeting of the Board may be held at any time or place without notice, if all Directors are present or consent thereto in writing before or after the meeting, or if those Directors who are not present consent thereto in writing before or after the meeting.

Section 8 Quorum. A majority of the authorized number of Directors shall constitute a quorum for the transaction of business, except to adjourn. Every action taken or decision made by a majority of the Directors present at a duly held meeting at which a quorum is present shall be the act of the Board, except in any specific situations where the law requires otherwise. A meeting at which a quorum is initially present may continue to transact business, despite the withdrawal of any Directors such that a quorum is no longer present, if any action taken or decision then made is approved by at least a majority of the initial required quorum for that meeting.

Section 9 Adjournments. The majority of the Directors present, whether or not a quorum is present, may adjourn any meeting to another time and place. Notice of the time and place of holding an adjourned meeting need not be given unless the original meeting is adjourned for more than twenty-four (24) hours. If the original meeting is adjourned for more than twenty-four (24) hours, notice of any adjournment to another time or place shall be given, before the time of the adjourned meeting, to the Directors who are not present at the time of the adjournment.

Section 10 Action Without a Meeting. Any action that the Board is required or permitted to take may be taken without a meeting if a majority of the Directors then in office consent in writing to the action, which consent may be evidenced by means of

electronic signature as such term is defined in NRS 719.100; provided, however, that the action of any Director who has a legally allowable material financial interest in a transaction to which the Corporation is a party shall not be required for approval of that transaction. Such action by written consent shall have the same force and effect as any other validly approved action of the Board. All such consents shall be filed with the minutes of the proceedings of the Board.

Section 11 Committees of the Board. The Board, by resolution adopted by a majority of the Directors then in office, may create one or more committees, each consisting of two (2) or more Directors, to serve at the pleasure of the Board. Appointments to committees shall be by majority vote of the Directors then in office. The Board may appoint one (1) or more Directors as alternate members of such committee, who may replace any absent member at any meeting. Any committee may also request that the Board approve the appointment of non-voting advisors to serve on the committee. All director assignments on board committees and, when applicable, service as a Board-Juror on the Conrad N. Hilton Humanitarian prize jury, will run concurrent with a director's board term; for the avoidance of any doubt, a director whose board term is not renewed may not continue to serve any unfinished term on a committee or as a Board-Juror. Any such committee, to the extent provided in the Board resolution, shall have the authority of the Board; provided, however, no committee may (i) amend, alter or repeal the Bylaws; (ii) elect, appoint or remove any member of any such committee or any director of the corporation; (iii) amend or repeal the Articles of Incorporation, adopt a plan of merger or a plan of consolidation with another corporation; (iv) authorize the sale, lease or exchange of all the property and assets of the corporation; (v) authorize the voluntary dissolution of

the corporation or revoke the proceedings therefor; (vi) adopt a plan for the distribution of the assets of the corporation; or (vii) amend, alter or repeal any resolution of the board of directors unless it provides by its terms that it may be amended, altered or repealed by a committee. Meetings and actions of committees shall be governed by, held, and taken in accordance with the provisions of these Bylaws concerning meetings and other Board actions, except that the time for regular meetings of committees and the calling of special meetings of committees may be determined either by Board resolution or, if there is none, by resolution of the committee. Minutes of each meeting of any committee shall be kept and shall be filed with the corporate records. The Board may adopt rules for the government of any committee, provided that they are consistent with these Bylaws, or, in the absence of rules adopted by the Board, the committee may adopt such rules.

Section 12 Meeting Participation. Directors may participate in a meeting through use of conference telephone or other audio-visual communications equipment or electronic platform, so long as all Directors participating in such meeting can hear or communicate with one another. Participation in a meeting through the use of such communications equipment or electronic platform constitutes presence in person at the meeting.

Vice Presidents shall also perform such other duties and have such authority as may be prescribed from time to time by the Board or the President.

Section 5 Secretary. The Secretary shall keep the minutes of the meetings of the Board, unless some other person is designated by the presiding officer of the meeting. (S)he shall attend to the giving and serving of all notices of the Corporation; (s)he shall have charge of all records, books and papers pertaining to the office, the corporate seal of the Corporation, and such books and papers of the Corporation as the Board may direct; (s)he shall keep proper books of account and serve all notices required by law or by these Bylaws. When ordered by the Board or the President, (s)he shall render a statement of his/her accounts. (S)he shall at all times be under the control of the Board, and generally shall perform all duties incident to the position of Chief Financial Officer, and all other duties required of her/him by law or these Bylaws, or such as the Board or the President may from time to time require, at all times keeping full, complete and accurate accounts thereof.

Section 7 Chair of the Board. The Chair of the Board, if there be such an officer, shall, if present, preside at all meetings of the Board and exercise and perform such other powers and duties as may from time to time be required by the Board or prescribed by

law.

Section 8 Vice Chair of the Board. The Vice Chair of the Board, if there be such an officer, shall, in the temporary absence or disability of the Chair, preside at meetings of the Board and perform such other powers and duties as may from time to time be required by the Board or be prescribed by law.

Section 2 Inspection. Every Director shall have the right at any reasonable time to inspect the Corporation's books, records, documents of every kind, physical properties and the records of each of its subsidiaries. The inspection may be made in person or by the Director's agent or attorney. The right of inspection includes the right to copy and make abstracts of documents.

Section 3 Annual Report. The Board shall cause an annual report to be sent to all Directors as soon as reasonably possible after the close of the Corporation's fiscal year.

Section 1 Right of Indemnity. To the fullest extent permitted by law, the Corporation shall indemnify its present and former officers, Directors, employees and agents against all expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred by them in connection with any threatened, pending, or completed action or proceedings, whether civil, criminal, administrative or investigative, including an action by or in the right of the Corporation, by reason of the fact that the person is or was an officer, Director, employee or agent of the Corporation. "Expenses" as used herein includes, without limitation, attorneys' fees and any expenses of establishing a right to indemnification.

Section 2 Approval of Indemnity. On written request to the Board of any person seeking indemnification under Section 1 of this Article VI, the Board shall promptly determine whether indemnification is permitted and, if so, shall authorize such indemnification.

Section 3 Advancement of Expenses. To the fullest extent permitted by law and as otherwise determined by the Board in a specific instance, expenses incurred by a person seeking indemnification under Sections 1 or 2 above in defending any proceeding

covered by those Sections shall be advanced by the Corporation before final disposition of the proceeding, on receipt by the Corporation of the undertaking by or on behalf of that person that the advance will be repaid unless it is ultimately determined that the person is entitled to be indemnified by the Corporation for those expenses.

Section 4 Insurance. The Corporation may purchase and maintain insurance to the fullest extent permitted by law on behalf of its officers, Directors, employees and agents against any liability asserted against or incurred by any of such persons in such capacity or arising out of the person's status as such whether or not the Corporation would have the power to indemnify the person against such liability under the provisions of Section 1 above.
